Saturday Only Ophthalmology Services provided by Neal Wasserman, DVM, DACVO

Basic Cardiac.....	\$75
Advanced Cardiac (Echocardiogram).....	\$285
Holter Review	\$110
<i>Must be completed within 90 days of an Advanced Cardiac Evaluation. Client to bring or later submit Holter Analysis form for a full disclosure review.</i>	
CAER Ophthalmological Exam	\$70
Gonioscopy	\$70
<i>Can be performed separately or during a CAER eye exam <u>prior to dilation of the eyes</u>. Not considered a stand-alone exam for OFA certification but is a CAER OFA suffix. Must be completed and submitted within 90 days of a CAER exam.</i>	

GENERAL OFA TESTING

Thyroid Database	\$205
<i>Vaccination within 30-60 days of testing may affect results. A bitch should not be tested during a heat cycle; it is recommended to avoid testing within 6-8 weeks of a heat cycle. A strict 8-12 hour food/treat fast prior to blood draw is required.</i>	
Dentition Database	\$60
Patellar Luxation Database	\$60
Kidney Database	\$150
<i>Owner to collect urine immediately before urine submission. A well hydrated dog is ideal.</i>	
Serum Bile Acid Test	\$250
<i>THIS IS A 2 HOUR TEST: A strict 8-12 hour fast is required! All food items, even treats and chew toys, must be withheld. Blood will be drawn, a small prescription meal will be fed by staff, and an additional blood draw is required 2 hours after the meal.</i>	
Verification of Permanent ID Independent of Testing	\$25
